

Summer Camps

2016

*Give your young explorer a summer
surrounded by nature.*

*Hands-on outdoor adventures, nature
crafts, live animals and more!*

Founded 1883

Close Encounters of the Natural Kind

For students entering Kindergarten

\$35 per day or \$130 for four days

One day programs will introduce participants to the Hatchery and surrounding natural environment through outdoor activities, arts and crafts. Different themes each day allow participants to sign up for 4 different programs: Fancy Fish (Mondays), Turtle Tuesdays, Amazing Amphibians (Wednesdays) and Recycling (Thursdays). Please indicate which days your child would like to attend.

Session A: July 18-21 10am-12pm

Session B: August 1-4 1pm-3pm

Session C: Aug 8-11 1pm-3pm

Curious Naturalists

For students entering grades 1-2

\$90 for Members, \$100 for Non-members

Curious Naturalists will view the natural environment in and around the Hatchery. The curiosity of the participants will be encouraged through natural expeditions to the neighboring pond and woodland habitats. Children will get wet and muddy during hands-on activities.

Session A: July 5-8 1pm-3pm

Session B: July 25-28 1pm-3pm

Session C: Aug 1-4 1pm-3pm

Session D: Aug 15-18 10am-12pm

Pond Adventures

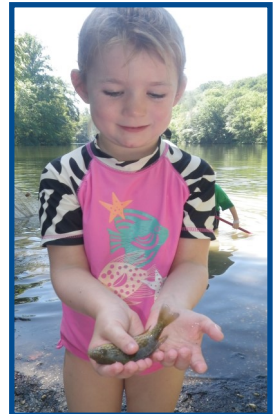

For students entering grades 1-2

\$20 for all participants

Curious Naturalists will have an opportunity to spend an extra day exploring Franklin's Pond. Must have participated in Curious Naturalists during 2016 before the Pond Adventures program.

Session A: July 29 1pm-3pm

Session B: Aug 19 10am-12pm

Cool Experiments for a Hot Day

For students entering grades K-2

\$35 for all participants

Young scientists can cool off during a hot summer day while experimenting with ice and making homemade ice cream.

Session A: July 7 10am-12pm

Session B: July 18 1pm-3pm

Session C: Aug 2 10am-12pm

Oobleck!

For students entering grades K-2

\$35 for all participants

Slime is a sticky, slippery substance used by many animals to help them survive. Students will make their own gooey slime and meet animals that use slime to help them survive in the wild.

Session A: July 8	10am-12pm
Session B: July 19	1pm-3pm
Session C: Aug 3	10am-12pm

Mad Scientist for a Day

For students entering grades K-2

\$35 for all participants

Step inside the Mad Scientist Laboratory for a day of fun and crazy science experiments.

Session A: July 5	10am-12pm
Session B: July 20	1pm-3pm
Session C: Aug 4	10am-12pm

Wild & Wacky Weather

For students entering grades K-2

\$35 for all participants

Tornados? Snow? Rain? Clouds? The weather can be wild and wacky sometimes. Learn all about the weather with fun hands-on experiments.

Session A: July 6	10am-12pm
Session B: July 21	1pm-3pm
Session C: Aug 1	10am-12pm

Field Explorers

For students entering grades 3-5

\$125 for Members, \$135 for Non-members

Field Explorers have fun learning the facts concerning our environment. Children will become more aware of our delicate environment as they explore the nearby salt marsh, pond and woodland habitats. As we wade through the water, we will study the environment and the animals that inhabit our field sites. Prepare to get wet and muddy!

Session A: July 11-14	1pm-4pm
Session B: July 25-28	9am-12pm
Session C: Aug 8-11	9am-12pm
Session D: Aug 22-25	9am-12pm

Junior Biologists

For students entering grades 6-8

\$125 for Members, \$135 for Non-members

Dive deeper into the field of biology as Junior Biologists learn how to study and explore our environment. Students will use scientific techniques to explore the salt marsh, freshwater pond and woodland habitats. Be prepared to get wet and muddy!

Session A: July 11-14

1pm-4pm

Session B: July 25-28

9am-12pm

Session C: Aug 8-11

9am-12pm

Pond Experience

For students entering grades 3-8

\$45 for each participant

Field Explorers and **Junior Biologists** will have an opportunity to spend an extra day exploring Franklin's Pond. Must have participated in Field Explorers or Junior Biologists during 2016 before the Pond Experience program.

Session A: July 29

9am-12pm

Session B: Aug 12

9am-12pm

Session C: Aug 19

1pm-4pm

Salt Marsh Exploration

For students entering grades 3-8

\$45 for each participant

Field Explorers and **Junior Biologists** will have an opportunity to spend an extra day exploring the salt marsh. Must have participated in Field Explorers or Junior Biologists during 2016 before the Salt Marsh Exploration program.

Session A: July 15

1pm-4pm

Session B: Aug 12

1pm-4pm

Session C: Aug 26

9am-12pm

Outdoor Photography Fun

For students entering grades 2-6

\$30 for Members, \$35 for Non-members

Young students will learn how to use a camera to capture photographs of animals and nature. Bring your own camera or borrow one from the Hatchery. Each student will be able to take their pictures home.

Session A: July 12

10am-12pm

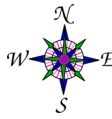

Session B: Aug 1

10am-12pm

Orienteering

For students entering grades 3-5 and grades 6-8

\$50 for Members, \$60 for Non-members

Campers will learn how to use a map and compass to complete navigational challenges around the Hatchery and while hiking through the neighboring St. John's Pond Preserve.

Session A: July 11-12

10am-12pm

Grades 3-5 Only

Session B: Aug 8-9

1pm-3pm

Grades 6-8 Only

Fly Fishing Techniques

For students entering grades 3 and up

\$60 for Members, \$75 for Non-members

Learn the art of fly fishing. Lessons in fly tying and fly casting will be taught.

Session A: July 13-14

10am-12pm

Session B: July 20-21

10am-12pm

Session C: Aug 10-11

1pm-3pm

Session D: Aug 17-18

1pm-3pm

Turtle Trackers

For students entering grades 5 and up

\$50 for Members, \$60 for Non-members

Learn about these fascinating reptiles that have roamed the Earth for millions of years. Students will practice techniques used by scientists to collect and study turtles. We will be spending a lot of time outdoors, and hopefully catch a few turtles!

Session A: July 5-7

10am-11:30am

Session B: Aug 2-4

10am-11:30am

Supervised Lunch

\$20 per day

Is your child participating in more than 1 camp program on the same day? A supervised lunch will be available on the following days for children attending both the morning and afternoon camps. Bring a bagged lunch.

July 5-8

Aug 1-4

July 11-14

Aug 8-12

July 18-21

Naturalist-in-Training

Learn what it is like to work at a summer camp while you gain leadership skills and participate in fun, outdoor adventures.

Visit our website for information: <http://cshfha.org/NIT.pdf>.

Mandatory orientation: June 30, 10am-3pm

Become a Hatchery Member

Please join us! Membership offers one year of free admission, quarterly newsletters, invitations to special events, discounts on children's programs , and discounts in the gift shop.
