The Cold Spring Harbor Fish Hatchery & Aquarium was founded in 1883 by the State of New York as a fish hatchery and is now a nationally recognized historic landmark.

Since 1982 the Hatchery has been a non-profit environmental education center, aquarium, and working trout hatchery dedicated to increasing awareness and appreciation of the freshwater ecosystems of New York State, as well as encouraging environmental stewardship.

Located on Route 25A, just west of the village of Cold Spring Harbor, the Hatchery & Aquarium offers an affordable, year-round family destination.

The village of Cold Spring Harbor is steeped in history, charm, and beauty; quaint colonial shops are filled with surprises, and the water views add to this idyllic setting.

Hours:

10:00 am - 5:00 pm, seven days a week
