

## Cold Spring Harbor Fish Hatchery & Aquarium Environmental Educator Positions Available

**Position:** Per diem environmental educator (seasonal position available)

**Description:** The Cold Spring Harbor Fish Hatchery & Aquarium seeks an individual who is enthusiastic about environmental education to work with us on a per diem basis. Students range from pre-K through adult, with the majority being in early education through middle school. Primary responsibilities will be to assist our instructors during summer camp programs. Additional responsibilities may include guided tours of the Hatchery & Aquarium, hands-on outdoor programs, and birthday parties. Programs focus on freshwater aquatic ecosystems and nearby salt marsh and woodland habitats.

**Hours:** Hours are based on an as needed basis and can be limited during certain seasons. Summer camps run from early July through late August. Additional educational programs and tours may begin immediately.

**Qualifications:**

- Background in biology, environmental science or education.
- Interest in early education.
- Must be enthusiastic and enjoy working with children.
- Must have flexible hours.
- Must be comfortable handling fish, turtles and amphibians.

**Benefits:**

- Seasonal per diem educators will be paid \$10/hour and receive 5 hours of paid training.
- Hours may be used to fulfill observation hours (paid or unpaid). Check with your advisor for approval.
