

Cold Spring Harbor Fish Hatchery & Aquarium Environmental Educator Position Available

Position: Summer Program Instructor (seasonal position)

Description: The Cold Spring Harbor Fish Hatchery & Aquarium seeks an individual who is enthusiastic about environmental education to work with us on a per diem basis. Students range from Kindergarten through high school. Primary responsibilities will be teaching our summer programs. Programs include nature crafts, hands-on activities and outdoor adventures to nearby freshwater, salt marsh and woodland habitats. Additional responsibilities may include guided tours of the Hatchery & Aquarium, hands-on outdoor programs and birthday parties.

Hours: Summer programs run from the last week in June through August 16. Preparations for summer programs will begin in late June.

Qualifications:

- Background in biology, environmental science or education.
- Interest in early education.
- Must be enthusiastic and enjoy working with children.
- Must have flexible hours and be available each week throughout the camp season.
- Must be comfortable handling fish, reptiles, amphibians and aquatic invertebrates.
- First Aid and CPR certified.

Benefits:

- Spend your summer outdoors while sharing your love of nature and science with children.
- Seasonal per diem educators will be paid \$16/hour.
- Hours may be used to fulfill observation/teaching hours. Check with your advisor for approval.
