

# 2025 Summer Programs

Give your young explorer a summer  
surrounded by nature!

Hands-On Activities  
Nature Crafts

Outdoor Adventures  
Live Animals

1660 Route 25A  
Cold Spring Harbor, NY

(516) 692-6768  
cshfishhatchery.org

## Close Encounters of the Natural Kind

For students entering grades K-1  
\$150 for Members, \$160 for Non-members  
Participants will explore the Hatchery and its natural surroundings through engaging outdoor activities and arts and crafts. Each day will feature a unique theme, including Fancy Fish, Turtle Tuesdays, Amazing Amphibians, and Recycling.

Session A: July 14-17 1pm-3pm  
Session B: July 21-24 10am-12pm  
Session C: July 28-31 1pm-3pm

## Cool Experiments

For students entering grades K-2  
\$40 for all participants  
Young scientists can beat the heat on a hot summer day by conducting experiments with ice and creating their own homemade ice cream.

Session A: July 11 1pm-3pm  
Session B: July 24 1pm-3pm  
Session C: August 6 10am-12pm

## Slimy Science

For students entering grades K-2  
\$40 for all participants  
Slime is a sticky, slippery substance that many animals use to help them survive. Students will make their own goopy slime and meet animals that rely on slime for survival.

Session A: July 7 1pm-3pm  
Session B: July 25 1pm-3pm  
Session C: August 7 10am-12pm

## Wild & Wacky Weather

For students entering grades K-2  
\$40 for all participants  
Tornadoes, snow, rain, and clouds – the weather can be wild and wacky sometimes. Discover the exciting world of weather with fun experiments.

Session A: July 9 1pm-3pm  
Session B: July 22 1pm-3pm  
Session C: August 4 10am-12pm

## Mad Science

For students entering grades K-2  
\$40 for all participants  
Enter the Mad Science Laboratory for an exciting day filled with wild and exciting science experiments.

Session A: July 8 1pm-3pm  
Session B: July 21 1pm-3pm  
Session C: August 8 10am-12pm

## Animal Adaptations

For students entering grades K-2  
\$40 for all participants  
The world is filled with amazing animal adaptations. Participate in fun challenges to discover the unique adaptations that help animals thrive.

Session A: July 10 1pm-3pm  
Session B: July 23 1pm-3pm  
Session C: August 5 10am-12pm

## Young Birders

For students entering grades 1-3  
\$40 for all participants

Fly into the amazing world of birds! Young bird enthusiasts will discover the different birds that visit the Hatchery each day and learn to recognize their calls. They will get to take home a special treat to attract birds to their own backyard.

Session A: July 11                      10am-12pm  
Session B: August 1                      1pm-3pm

## Curious Naturalists

For students entering grades 1-2  
\$150 for Members, \$160 for Non-members  
Curious Naturalists will explore the natural environments in and around the Hatchery. Participants' curiosity will be sparked through fun and engaging expeditions to the neighboring pond and woodland habitats. Children will get wet and muddy during hands-on activities.

Session A: July 7-10                      10am-12pm  
Session B: July 14-17                      1pm-3pm  
Session C: July 28-31                      10am-12pm  
Session D: August 11-14                      1pm-3pm

## Pond Adventures

For students entering grades 1-2  
\$40 for all participants

**Curious Naturalists** can enjoy an additional day of exploration at Franklin's Pond. *Participants must complete Curious Naturalists during 2025 prior to participating in this program.*

Session A: July 18                      1pm-3pm  
Session B: August 15                      1pm-3pm

## Outdoor Photography

For students entering grades 2-6  
\$50 for all participants

Young students will learn how to use a camera to take photographs of animals and nature. Bring your own camera or borrow one from the Hatchery. Each student will have the opportunity to take home their pictures.

Session A: July 1                      10am-12pm  
Session B: July 25                      10am-12pm

## Field Explorers

For students entering grades 3-5  
\$170 for Members, \$190 for Non-members  
Field Explorers will gain a deeper understanding of our fragile ecosystem as we explore the neighboring salt marsh, pond and woodland habitats. As we wade through the water and trek through the woods, we will observe the environment and the wildlife that call these areas home. Be prepared for wet and muddy adventures!

Session A: July 7-10 1pm-4pm  
Session B: July 14-17 9am-12pm \*Full  
Session C: August 4-7 1pm-4pm  
Session D: August 11-14 9am-12pm

## Junior Biologists

For students entering grades 6-9  
\$170 for Members, \$190 for Non-members  
Dive deeper into the intriguing world of biology as Junior Biologists explore our surroundings. Students will use scientific techniques to investigate the neighboring salt marsh, pond, and woodland habitats. Be prepared for wet and muddy adventures!

Session A: July 14-17 9am-12pm  
Session B: July 21-24 1pm-4pm  
Session C: August 4-7 1pm-4pm

## Salt Marsh Exploration

For students entering grades 3-9  
\$60 for each participant  
**Field Explorers and Junior Biologists** can enjoy an additional day exploring the salt marsh. *Participants must complete Field Explorers or Junior Biologists during 2025 prior to the Salt Marsh Exploration program.*

Session A: July 18 9am-12pm  
Session B: August 1 9am-12pm  
Session C: August 15 9am-12pm

## Pond Experience

For students entering grades 3-9  
\$60 for each participant  
**Field Explorers and Junior Biologists** can enjoy an additional day exploring Franklin's Pond. *Participants must complete Field Explorers or Junior Biologists during 2025 prior to the Pond Experience program.*

Session A: July 11 1pm-4pm  
Session B: July 25 1pm-4pm  
Session C: August 8 1pm-4pm

\*Sessions in green are full. Please contact us to place your child's name on the waiting list.

## Turtle Trackers

For students entering grades 5 and up  
\$75 for Members, \$90 for Non-members  
Explore the intriguing world of reptiles that have existed on our planet for millions of years. Students will use scientific methods to observe and study these remarkable creatures. We will study the Hatchery's turtles and visit a nearby pond, where we hope to catch a few turtles for a closer examination.

Session A: July 1-3 1pm-2:30pm  
Session B: August 4-6 10:30am-12pm

## Orienteering

For students entering grades 4-7  
\$65 for Members, \$80 for Non-members  
Learn how to use a map and compass to complete navigational challenges at the Hatchery and while hiking the neighboring St. John's Pond Preserve.

Session A: July 21-22 10am-12pm  
Session B: July 30-31 10am-12pm

## Fly Fishing Techniques

For students entering grades 3 and up  
\$80 for Members, \$100 for Non-members  
Learn the art of fly fishing. Lessons in fly tying and fly casting will be taught.

Session A: July 2-3 10am-12pm  
Session B: July 9-10 10am-12pm  
Session C: July 23-24 10am-12pm  
Session D: July 30-31 1pm-3pm

## Survival Skills

For students entering grades 4-7  
\$65 for Members, \$80 for Non-members  
Learn basic skills for wilderness survival. Build a shelter, learn fire-starting techniques, signal for help, and more!

Session A: July 7-8 10am-12pm  
Session B: July 28-29 10am-12pm  
Session C: August 7-8 10am-12pm

## Supervised Lunch

\$20 per day

Is your child enrolled in multiple programs on the same day? A supervised lunch will be available on the following days for children who attend both morning and afternoon sessions. Please bring a bagged lunch.

July 1-3 July 28-Aug 1  
July 7-11 Aug 4-8  
July 21-25

## Naturalist-in-Training

Learn what it is like to work at a summer program while developing your leadership skills and enjoying fun, outdoor activities. Naturalists-in-Training must be at least 13 years old and entering 8th grade in September 2025. The application deadline is June 1st. Visit our website for more information: <http://cshfishhatchery.org/summer-camps/>.

**Mandatory orientation: June 30, 10am-3pm**

# Become a Hatchery Member

Join us! Membership includes a full year of free admission, quarterly newsletters, invitations to special events, discounts on children's programs, and savings in the gift shop.
